800.2 In the case of a conflict between this chapter and provisions of a collective bargaining agreement, subject to the limitations under section 1708 of the CMPA (D.C. Official Code § 1-617.08 (2006 Repl.)), the provision(s) of the collective bargaining agreement shall take precedence.

801 Incumbent Classification System

801.1 In accordance with the requirements of section 801 (a) of the CMPA (D.C. Official Code § 1-608.01 (a)), the regulations in this chapter are indexed and cross-referenced to the incumbent classification system, as follows:

- a. The incumbent classification system in effect on December 31, 1978 has been continued in effect without substantial change. Accordingly, these regulations apply in the same manner to all positions in the Career Service, and to all incumbents of the Career Service, except as specifically set forth herein; and
 - b. All distinctions in applicability of these regulations, to incumbents transferred to the Career Service on January 1, 1980, and those employees hired on or after that date, are specified herein.
-

802 Merit Selection Policy

802.1 As provided in section 801 (a) of the CMPA (D.C. Official Code § 1- 608.01 (a)), and except as otherwise provided by law or regulation, all initial appointments to the Career Service and all subsequent assignments and promotions of employees in the Career Service shall be made by open competition, involving positive recruitment and examining procedures designed to achieve maximum objectivity, reliability, and validity. All such initial appointments and subsequent assignments and promotions shall be made on the basis of merit by selection from the highest qualified available eligibles based on specific job requirements with appropriate regard for affirmative action goals, veterans preference, and residency preference.

803 Prohibited Personnel Practices

803.1 No person shall interfere in the competitive process by influencing another person to withdraw from competition for any position in the Career Service, for the purpose of either improving or injuring the prospects of any applicant for appointment or selection.

803.2 In accordance with the D.C. Human Rights Act of 1977 (Act), effective December 13, 1977 (D.C. Law 2-38; D.C. Official Code § 2-1401.01 et seq.), as amended (2001 and 2007 Supp.), the District government does not discriminate on the basis of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, matriculation, political affiliation, genetic information, disability, source of income, status as a victim of an intra-family offense, and place of residence or business.

803.3 No public official may appoint, employ, promote, advance, or advocate for appointment, employment, or promotion, in or to a Career Service position in the agency in which he or she is serving or over which he or she exercises jurisdiction or control an individual who is a relative of the public official.

803.4 A personnel authority may not appoint, employ, promote, or advance an individual in or to a Career Service position in an agency if such appointment, employment, promotion, or advancement has been advocated by a public official who is serving in or exercising jurisdiction or control over the agency and is a relative of the individual.

803.5 A public official who appoints, employs, promotes, advances, or advocates the appointment, employment, promotion, or advancement of any individual in violation of section 803.3 of this section, shall be required to reimburse the District government for any funds improperly paid to the individual.

803.6 For the purposes of this section, the following terms have the meaning ascribed:

Public official – an officer, an employee, or any other individual in whom authority by law, rule, or regulation is vested, or to whom the authority has been delegated, to select, appoint, employ, promote, reassign, demote, separate, or recommend individuals for any of these actions.

Relative – as defined in section 801 (c) of the CMPA (D.C. Official Code § 1-608.01 (c)(1)), an individual who is related to the public official as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister.

804 Implementation Authority

804.1 As applicable, the Director of the D.C. Department of Human Resources (DCHR) or independent personnel authority, shall establish standards with respect to education, training, experience, suitability, physical

and mental fitness, or other requirements that will be used to evaluate applicants and employees for placement in the Career Service, consistent with all applicable laws and regulations.

804.2 The Director of the DCHR or independent personnel authority may adopt new qualification standards under section 804.1 of this section. Until such adoption, the federal qualification standards as set forth in the X-118 and X-118C series of handbooks and applicable supplementary publications shall remain applicable.

804.3 Whenever the practice of certain occupations and professions is subject to licensure requirements (as established by District, State, or federal law), the possession of a license shall constitute a qualification requirement. Positions subject to licensure requirements shall be listed in the District Personnel Manual by the DCHR.

804.4 As applicable, the Mayor and independent personnel authorities shall establish employee selection procedures for the Career Service. Such procedures shall be consistent with the standards established by these regulations and applicable law, including section 801 of the CMPA (D.C. Official Code § 1-608.01), and federal issuances pursuant to the Civil Rights Act of 1964, as amended, professionally developed standards for examination and selection, and the requirements of agreements with labor organizations entered into in accordance with Chapter XVII of the CMPA (D.C. Official Code § 1-617.01 et seq.)

804.5 The applicant evaluation and qualification standards, and the employee selection procedures for the Career Service developed by the Director of the DCHR or independent personnel authority as required by sections 804.1 through 804.4 of this section shall be incorporated in their entirety, or by reference, in the District Personnel Manual; and human resources manuals developed by independent personnel authorities, respectively. Each other personnel authority with Career Service employees may adopt the provisions of the District Personnel Manual applicable to the Career Service or incorporate them in a personnel manual developed by the personnel authority.

804.6 All personnel actions appointing employees to the Career Service, or affecting employees within the Career Service, shall comply with the standards and selection procedures established by the Director of the DCHR or independent personnel authority, and applicable rules as set forth in these regulations.

804.7 The authority to take personnel actions appointing employees to or affecting employees within the Career Service shall be as follows:

- a. For employees subject to the Mayor's personnel authority, the Director of the DCHR, except as otherwise provided by the Mayor or the City Administrator; and
- b. Other personnel authorities specified in section 406 of the CMPA (D.C. Official Code § 1- 604.06).

804.8 When the personnel authority finds that an agency has not complied with competitive principles of this chapter, either in an individual case or on a program basis, the personnel authority shall require the agency to rectify the error or omission.

804.9 Subject to the provisions of this chapter, a personnel authority may hire, promote, transfer, assign, or retain an employee in the Career Service.

805 General Requirements for Competitive and Noncompetitive Selection

805.1 All initial appointments to the Career Service, and subsequent assignments and promotions, shall be made by open competition, unless otherwise authorized by this chapter.

805.2 Noncompetitive appointments to the Career Service shall be restricted to the following:

- a. Reinstatement of a former employee having career status in the District service as specified in § 816;

- b. Transfer of an employee as specified in § 817;
- c. Conversion of an employee by limited competition pursuant to § 821;
- d. Certain term appointments pursuant to § 823;
- e. Emergency appointments pursuant to § 819;
- f. Certain other temporary appointments as provided in §§ 822 and 824;
- g. Restoration to duty pursuant to § 827; and
- h. Upon completion of the prescribed courses of training, employees appointed to medical or dental positions established in a training program under chapter 9 of these regulations may, within five (5) years of the date of completion of such training, be appointed in the Career Service as medical officers and dental officers, without regard to competitive appointment procedures.

805.3 Noncompetitive internal placements shall be limited to those specified in § 830.

806 General Requirements for Selection Procedures

806.1 All competitive placements shall be made in accordance with the general principles in this section and the specific requirements of applicable sections of this chapter. These principles and requirements shall also govern noncompetitive placements, to the maximum extent practicable.

806.2 For the purposes of this section, the term "placement" includes the development and use of examinations that affect the measurement, ranking, and selection of individuals for initial appointment and subsequent assignment or promotion in the Career Service.

806.3 Selection procedures for competitive placement shall do the following:

- a. Be practical in character and fairly test the relative ability and fitness of candidates for jobs to be filled;
- b. Result in selection from among the best qualified candidates;
- c. Be developed and used without discrimination, as required by §§ 803.2 and 804.4; and
- d. Comply with other requirements of applicable equal employment opportunity and affirmative action laws and regulations.

806.4 Selection procedures for the Career Service shall be based on a job analysis (which may cover a single position or group of positions, or an occupation or a group of occupations having common characteristics) to identify and evaluate the factors that are important in evaluating candidates and the following:

- a. The basic duties and responsibilities; or
- b. The tasks or the knowledge, skills, and abilities required to perform the duties and carry out the responsibilities.

806.5 In cases where adverse impact has been demonstrated, or as determined by the personnel authority, the selection procedures shall be validated using either the content validation or the criterion-related validation model, or any other appropriate model as provided in § 804.4.

806.6 If content validation is used, there shall be a rational relationship between the duties of the position to be filled (or the target position in the case of an entry position) and the content of the selection procedure.

806.7 If criterion-related validation is used, there shall be an empirical relationship between performance in the position to be filled (or the target position in the case of an entry position) and performance in the examination utilized in the selection process.

806.8 In the case of an entry position, the required relationship may be based upon the target position when the following are true:

- a. The entry position is a training position or the first of a progressive series of established training and development positions leading to a target position at a higher level; and
- b. The new employee, within a reasonable period of time and in the great majority of cases, can expect to progress to a target position at a higher level.

806.9 A minimum educational requirement shall not be established except as authorized under §§ 804.1 through 804.3.

806.10 The personnel authority may require an applicant to provide documentary evidence of his or her qualifications for an appointment in the Career Service.

806.11 The personnel authority shall initiate appropriate action, in accordance with chapter 16 of these regulations, in the case of a Career Service employee whose appointment or promotion was based upon fraud or falsification of official personnel records.

806.12 For the purposes of this section, the following term has the meaning ascribed: Target position—the full performance level of a District Service Schedule position or the journeyman level of a Wage Service Schedule position.

807 Age Requirements

807.1 Notwithstanding the provisions of section 803.2 of this chapter, the following specific age requirements shall be the only age requirements for employment in the Career Service:

- a. Except as otherwise provided herein, the minimum age requirement for employment in the Career Service shall be sixteen (16) years old;
- b. For initial appointment to a firefighter/EMT or firefighter/paramedic position in the Fire and Emergency Medical Services Department (FEMSD), an applicant shall have reached his or her nineteenth (19th) birthday as of the date of application. There shall be no maximum age limit for appointment to a firefighter/EMT or firefighter/paramedic position in the FEMSD, as long as the applicant is found otherwise qualified and successfully passes a medical examination and any other examinations, background investigations or tests required by the FEMSD of candidates for employment;
- c. There shall be no age limit for reinstatement to a rank no higher than the rank last held by a former firefighter/EMT or firefighter/paramedic of the FEMSD, provided that the applicant for reinstatement meets the following requirements:
 1. The applicant submits his or her request for reinstatement in writing to the Fire EMS Chief and the request is approved;
 2. The applicant successfully passes a background investigation; and
 3. The applicant is found to be otherwise qualified and successfully passes a medical examination and any other examinations or tests required by the FEMSD of any incumbent employee, except that no former member shall be required to take the entry-level written examination again.
- d. For initial appointment with the Metropolitan Police Department (MPD) to a police private position, an applicant shall have reached his or her twenty-first (21st) birthday, and shall have applied for appointment prior to his or her thirty-fifth (35th) birthday; except that an individual who has successfully completed the D.C. Police Cadet Training Program may be appointed to a probationary police officer position after having reached his or her twentieth (20th) birthday;
- e. The Chief of Police may consider a uniformed member for reinstatement to the MPD to a rank no higher than the rank last held, after the former member meets the following requirements:
 1. Submit his or her request for reinstatement in writing to the Police Chief;
 2. Successfully passes a background investigation; and
 3. Is found physically qualified based on successfully passing a medical examination and any other examinations or tests required by the MPD of an entry-level candidate; except that no former

- member shall be required to take the entry-level written examination again;
- f. As authorized under 5 U.S.C. § 3307, for initial entry into positions subject to the Civil Service Retirement system under 5 U.S.C. § 8336 (c), which does not include those covered under sections 807.1 (b) and (c) of this section, the maximum age shall be thirtyfour (34); and
 - g. As authorized under D.C. Official Code § 1-2513 (b) (2001), it shall not be an unlawful discriminatory practice to establish minimum and maximum age limits for appointment to police officer cadet or firefighter cadet positions; and
 - h. Notwithstanding the provisions of 807.1(a) of this section, the Director, D.C. Department of Human Resources and the Police Chief, unless specifically prohibited by law or regulation, may establish higher minimum age requirements for appointment to specific positions or classes of positions, or to positions established under specific employment programs.
-

808 Citizenship Requirements

808.1 Appointments to uniformed positions in the Police and Fire Departments shall be limited to persons who are citizens of the United States.

808.2 A person who is a United States citizen, or a non-citizen authorized by the Immigration and Naturalization Service to be employed in accordance with part 109 of title 8 of the Code of Federal Regulations, may be appointed to any other position in the Career Service.

809 Examining System

809.1 This section applies to the initial selection of an appointee, and to the selection for internal placement of a Career Service employee when the internal placement is by open competitive examination.

809.2 Each competitive selection shall be as a result of a vacancy or examination announcement, available to the public for not less than five (5) working days, and appropriate recruitment activities.

809.3 Competitive selection procedures shall consist of either assembled examining procedures, which may include written, oral, or performance examinations, or a combination thereof; or unassembled examining procedures which may include establishment of rating and ranking plans; or both.

809.4 The personnel authority may refuse to examine, refuse to declare as eligible after examination, or withhold or withdraw from certification prior to appointment any person who fails to meet the examination requirements which are prerequisite to taking the examination established by the personnel authority.

809.5 The personnel authority shall permit the rescheduling or alternate scheduling of an examination for a candidate who was unable to attend the administration of the examination because of the following:

- a. Reserve or National Guard drill or summer camp;
- b. Bona fide religious beliefs;
- c. Illness or injury of sufficient seriousness as to require hospitalization;
- d. Bona fide error on the part of the examining office; or
- e. Other reason acceptable to the personnel authority.

809.6 The personnel authority shall prescribe the absolute and relative weights to be assigned the individual components of the examination, and, where numerical weights are used, shall assign final ratings on a scale with a maximum value of one hundred (100). In these circumstances, candidates who do not receive at least a rating of seventy (70) shall be rated as "ineligible."

809.7 Where numerical ratings are not used, and the results of the examination are to be used only to distinguish those who successfully completed the examination from those who did not, candidates may be rated as "eligible" or "ineligible."

809.8 When categorical rankings are used, candidates may be rated as "Highly Qualified," "Well Qualified," "Qualified," or "Ineligible."

809.9 Each applicant who meets the minimum requirements for entrance to an examination and is rated seventy (70) or more (when numerical ratings are used), or at least "qualified" (when categorical rankings are used), or "eligible" (when pass-fail ratings are used) in the examination is eligible for consideration for appointment.

809.10 The personnel authority shall add either five (5) or ten (10) points, as appropriate, to the earned numerical rating of each applicant entitled to veterans preference in appointment under § 703 of these regulations who is eligible under § 809.5.

809.11 When experience is a factor in determining eligibility, the personnel authority shall credit an applicant with time spent in the military service as follows:

- a. On the basis of actual duties performed in the military service; or
- b. For an employee who is restored to duty under this chapter, an extension of time spent in the position in which he or she was employed immediately before his or her entrance into the military service; or
- c. As a combination of both methods.

809.12 The personnel authority shall credit time spent in the military service according to the method outlined in § 809.11 which will be of most benefit to the applicant.

809.13 All job-related experience, including but not limited to experience gained in religious, civil, welfare, volunteer service, and organizational activities, regardless of whether pay was received therefor, shall be creditable.

809.14 For the purposes of this section, the following terms have the meaning ascribed:

Qualified candidates – those who meet established qualification requirements for the position, including any selective factors.

Selective factors – knowledge, skills, or abilities essential for successful performance on the job, which represent an addition to the basic qualification standard for a position.

810 Establishment and Termination of Registers

810.1 The name of each applicant determined by an assembled or unassembled examination to be eligible for the position to be filled, subject to any subsequent suitability or medical determination, shall be listed on a register in accordance with §§ 809.6 through 809.10.

810.2 Unless otherwise required by an affirmative action plan established in accordance with applicable legal requirements or by law or court order, applicants shall be certified from the register in order of their relative standing on the register; except that the entire register of eligible candidates may be certified when it may be reasonably expected that such certification will not produce more candidates than there are vacancies to be filled, upon completion of any subsequent suitability or medical determination, or when the personnel authority determines that other circumstances warrant such certification.

810.3 A maximum of ten (10) eligibles shall be certified for each vacancy, and the determination of the number of persons certified shall be based on an evaluation of the internal statistical characteristics of each selection procedure involved, the quantity and quality of competitors, equal employment opportunity considerations, and other appropriate factors; however, more than the maximum of ten (10) may be submitted if an agency provides written justification to the personnel authority.

810.4 Selecting officials may select candidates for appointment from among those listed, or return the certificate to the personnel authority with a written justification for nonselection; and, if the justification for nonselection is acceptable to the personnel authority, a new certificate from the register may be issued.

810.5 A register developed as the result of selection processes in which assembled examinations are used shall remain in existence until exhausted, except when an earlier termination date is authorized by the personnel authority.

810.6 Remaining eligibles on a register being terminated may be transferred to any successor register established for the same job category only when the same selection procedures have been used or as otherwise authorized by the personnel authority for good and sufficient reason.

810.7 This section shall not preclude the appointment of an individual who was certified prior to termination of the register.

810.8 The Director of the D.C. Department of Human Resources shall publish instructions and procedures in the District Personnel Manual which set forth the basic rating and ranking plan requirements, and all other requirements of the unassembled examination process to be followed by subordinate agencies.

810.9 For the purposes of this section, the following term has the meaning ascribed:

Certificate – a list of eligible candidates from a register for appointment to a position submitted by a personnel authority to a public official.

811.7 A terminated employee shall retain his or her veterans preference eligibility, if any, in accordance with federal laws and regulations issued by the U.S. Office of Personnel Management, but shall be separated without competition, assignment rights, retreat rights, a right to re-assignment under either the Agency Reemployment Priority Program or the Displaced Employee Program established pursuant to chapter 24 of these regulations; or a or a right to any internal or administrative review, subject to any right under the Human Rights Amendment Act of 2007 (D.C. 815.6 Satisfactory completion of the supervisory probationary period prescribed in this section shall be a prerequisite to continued service in the position.

815.7 If after a full and fair evaluation of the employee's performance during the supervisory probationary period, supervisory deficiencies are revealed and a determination is made by the immediate supervisor that the employee is not suited to continue to occupy the supervisory position, action shall be initiated prior to the end of the supervisory probationary period to return the employee to a non-supervisory position in accordance with sections 815.8 or 815.9 of this section.

815.8 Except as provided in section 815.9 of this section, an employee who does not satisfactorily complete the supervisory probationary period requirement under this section shall be entitled to a non-supervisory position in his or her employing agency of no lower grade than the employee left to accept the supervisory position, and at the step the employee would have attained, but for the supervisory appointment.

815.9 An employee who is demoted to a lower grade supervisory position voluntarily or involuntarily, and who, for reasons of performance, does not satisfactorily complete the supervisory probationary period, shall be entitled to be assigned to a non-supervisory position in his or her employing agency, at the same grade and pay as the supervisory position to which the employee has been demoted.

815.10 The agency shall notify the affected employee, in writing, of any action taken under sections 815.8 or 815.9 of this section, of the effective date of the action, and that the action is not appealable or grievable.

827.8 An agency shall consider every employee covered by § 827.1(a) or (b) for all promotions for which the employee would have been considered had the employee not been absent. When it can be determined that the employee would have received a promotion if not absent, the promotion shall be mandatory, and shall be effective on the date it would have been made had the employee not been absent. In all other cases it shall be discretionary.

827.9 If the position of an employee covered by § 827.1(a) or (b) is reclassified to a higher grade, an agency shall place the employee in the regraded position upon restoration to duty.

827.14 If an employee returning from military duty submits an application for restoration within ninety (90) days after discharge from service, or from hospitalization continuing after discharge for a period of not more than one (1) year, the employee shall be entitled to be restored to duty as soon as possible, but in no event later than thirty (30) days after the application is received.

827.15 An employee covered by § 827.1(b) who has fully recovered within two (2) years from the date of commencement of compensation, or from the time compensable disability recurs if the recurrence begins after the employee resumes full-time employment with the District government, shall be entitled to resume his or her former position (or an equivalent one) immediately upon cessation of compensation.

827.16 An employee covered by § 827.1(c) who recovers from the disabling condition for which he or she has been retired, prior to reaching his or her fiftieth (50th) birthday, and applies for reinstatement in the department from which he or she retired, shall be evaluated to determine whether he or she meets the current entrance requirements of the department as to suitability, and if, so, shall be reinstated to a position in the nearest equivalent grade and salary as that received at the time of disability retirement.

827.17 An employee covered by § 827.1(a) or (b) shall be entitled to be restored to duty in a position determined in the following order, unless that position is then occupied by an employee in a higher retention group under chapter 24 of these regulations:

- a. To the position to which promoted while absent or, if that position is not available, to a position of like status and pay;

or
- c. To the next best available position for which the employee is qualified. For purposes of this subsection, the next best available position shall be one that most nearly approximates in status and pay the position to which an employee is entitled under either § 827.17(a) or (b).

827.18 A returning employee who, because of a disability sustained during military duty, is disqualified for a position to which he or she has restoration rights shall be entitled to be restored to another position in the agency for which he or she is qualified that will provide like status and pay, or the nearest approximation thereof consistent with the circumstances in his or her case.

827.19 An employee covered by § 827.1(b) who, because of compensable injury or disability, is disqualified for a position to which he or she has restoration rights (including an equivalent position), shall be entitled to be restored, within two (2) years from the date he or she began receiving compensation, to another position in the agency for which he or she is qualified that will provide like status and pay, or the nearest approximation thereof consistent with the circumstances in his or her case.

827.20 If two (2) or more employees are entitled to be restored to the same position, the employee who left his or her position first shall be entitled to the prior right of restoration.

827.21 An agency shall make every effort to restore, according to the circumstances in each case, an employee or former employee who has partially recovered from a compensable injury and who is able to return to perform useful and efficient service.

827.22 An employee who was separated because of compensable injury and whose recovery takes longer than two (2) years from the date compensation began (or from the time compensable disability recurs if the recurrence begins after the injured employee resumes regular full-time employment with the District government) shall be entitled to priority consideration for restoration to the position he or she left or an equivalent one, provided he or she applies for reappointment within thirty (30) days of cessation of compensation.

827.23 When an agency refuses to restore or determines that it is not feasible to restore an employee under the provisions of law and this section, it shall notify the employee in writing of the reasons for its decision and of his or her right to grieve such determination in accordance with the provisions of chapter 16 of these regulations.

827.24 When an agency restores an employee in accordance with § 827.18, it shall notify the employee that he or she is entitled to appeal to the U.S. Office of Personnel Management under the provisions of its regulations.

828 Merit Staffing and Promotion Policy

828.1 The District government policy is to fill each vacancy with the best qualified person available, considering its immediate and long-range needs. The personnel manual developed by each personnel authority to implement the policy shall provide a systematic means of internal placements, including selection for promotion according to merit.

828.2 Vacancies above the normal entrance levels generally may be filled by reassignment or promotion of the best qualified employees, consistent with the best interests and needs of the agency. This policy, however, shall not restrict management's right to fill a position with a highly qualified person by some other means, such as appointment from a register, by reinstatement, by transfer, from a reemployment priority list, or by conversion of an individual employed under § 821.

829 Competitive Placement

829.1 Except as provided in § 830, competitive procedures shall apply to all placements, including the following:

- a. Promotions;
 - b. Temporary promotions under § 839 exceeding one hundred twenty (120) days;
 - c. Selection for details for more than two hundred forty (240) days to a higher grade position or to a position at the same grade level with known promotion potential;

 - e. Selection for a position, including by reassignment or demotion, with more promotion potential than the last grade held under a Career Appointment (Probational) or a Career Appointment (Permanent) in the District service (except as permitted by reduction-in-force regulations);
 - f. A transfer to a higher grade position or a position of the same grade level with a known promotion potential;
 - g. Selection for a temporary or term appointment to a position at DS-13 (or equivalent) or above, except in the case of a candidate who is eligible for reinstatement; or
 - h. Term promotions under § 840.
-

830 Noncompetitive Placement

830.1 Competitive procedures shall not apply to the following:

- a. A promotion resulting from the upgrading of a position without significant change in the duties and responsibilities due to issuance of a new classification standard or the correction of an initial classification error;
- b. A position change permitted by reduction-in-force regulations;
- c. The following types of career promotions:
 - 1. A promotion without current competition when at an earlier stage an employee was selected from a register or under competitive promotion procedures for an assignment intended to prepare the employee for the position being filled; or
 - 2. A promotion resulting from an employee's position being reclassified at a higher grade because of accretion of additional duties and responsibilities without planned management action; or
 - 3. A promotion resulting from an employee's position being reclassified at a higher grade as a result of the employee's impact on the job, that is, the personal proficiency, competency, and skill of the employee, which impacts on the position so as to generate a recognized change in and an increase in the level of the duties and responsibilities of the position;
- d. A career ladder promotion if the original competition for the position clearly established the career ladder;
- e. A position change from a position having known promotion potential to a position having no higher potential;
- f. A temporary promotion under § 839 of one hundred twenty (120) days or less;
- g. Repromotion to a grade or position from which an employee was demoted without personal cause and not at his or her request;

- j. Restoration to duty at a grade no higher than the last position held;
- k. Selection for detail of two hundred forty (240) days or less to a higher grade position or to a position with known promotion potential; and
- l. A conversion from a term appointment to a regular Career Service appointment with permanent status, unless the initial term appointment was through open competition within the Career Service.

830.2 For purposes of this section, the following term has the meaning ascribed:

Planned management action - an action wherein management has a recognized option or alternative to assign work between two (2) or more employees, and assigns the work to a particular employee.

831 Qualification Requirements

831.1 A person who is being considered for a position shall meet the minimum qualification requirements established for the position.

832 Length of Service and Experience

832.1 Except as required by these regulations, length of service, length of experience, or time in position shall not be used as an evaluation factor unless there is a clear and positive relationship with quality of performance, based upon determination that there are increases in accuracy, speed of performance, quality of workmanship,

versatility, responsibility, and so forth, which normally accompany greater length of service or greater experience in the job and which cannot be assessed more appropriately by other measurement devices.

833 General Restrictions on Position Changes

833.1 An agency may promote an employee or reassign him or her to a different line of work, and it may transfer a present employee or reinstate a former employee of the same or another agency to a higher grade or different line of work, only after three (3) months have elapsed since the employee's latest nontemporary competitive appointment.

833.2 Any internal placement of a Career Service appointee to a position with less rights and benefits shall not be effective unless the employee has waived the rights and benefits in writing; and the waiver shall be made a permanent part of the employee's Official Personnel Folder.

834 Effect of Position Change on Employee Rights

834.1 Except as waived in accordance with § 833.2, an employee's rights and benefits with respect to continued employment shall not be reduced by promotion, demotion, or reassignment.

834.2 The personnel authority shall determine whether a position change of an employee affects a requirement that a suitability investigation must be accomplished.

834.3 The promotion, demotion, or reassignment of an employee in the Career Service before he or she has completed probation shall be subject to completion of the probationary period in the new position.

835 Effective Date for Implementing a Position Change

835.1 A position change shall not be made effective before necessary classification action has been completed; the employee has met qualification and other requirements; and, in the case of a position change involving involuntary reduction in grade, rank, or pay, that applicable advance notice and decision requirements have been satisfied.

836 Placement by Reassignment or Demotion

836.1 A personnel authority may fill a vacancy by reassignment of a Career Service appointee to a position, either competitively or noncompetitively; provided that any noncompetitive reassignment is to a continuing position at the same grade, there is no diminution in the rights and benefits of the employee, and the position has no greater promotion potential than the position previously held.

836.2 A temporary reassignment may be made for a period not to exceed one (1) year; and the employee may be restored to his or her former position without the use of adverse action procedures.

836.3 A temporary reassignment exceeding one hundred twenty (120) days to a position with established promotion potential greater than the currently held position shall be effected competitively.

836.4 A temporary reassignment may be extended for one (1) year with the prior approval of the personnel authority.

836.5 An involuntary demotion of a Career Service employee shall be made by either of the following:

- a. By adverse action procedures in accordance with chapter 16 of these regulations; or
- b. By reduction-in-force procedures in accordance with chapter 24 of these regulations.

836.6 An employee may voluntarily accept a lower-graded position, provided that the position has no greater promotion potential than the position currently held, and that a waiver is executed in accordance with § 833.2.

836.7 An employee may voluntarily accept a position with lesser rights or benefits, provided that a waiver is executed in accordance with § 833.2.

837 Merit Promotion Requirements

837.1 The promotion of an employee shall be based on merit, and consistent with these regulations.

837.2 Exceptions to competitive promotion procedures shall be limited to those authorized by this chapter.

837.3 The personnel authority shall require that a promotion action (whether identification, qualification, evaluation, or selection of candidates) shall be made without regard to labor organization affiliation or non-affiliation, race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, matriculation, political affiliation, non-disqualifying physical handicap, source of income, or place of residence or business and shall be based solely on job-related criteria.

837.4 The personnel authority shall ensure that each employee within the area of consideration who is absent for legitimate reason, for example, on detail, on leave, at training courses, in the military service, on disability compensation, or on temporary assignments under chapter 27 of these regulations, receives appropriate consideration for promotion.

837.5 The personnel authority shall provide methods of evaluation for promotion and placement, and selection for training which leads to promotion, consistent with the requirements of this chapter.

837.6 To be eligible for promotion, a candidate shall meet minimum qualification standards adopted in accordance with § 804.2.

837.7 Due weight shall be given to performance appraisals and incentive awards of a candidate.

837.8 Selection procedures shall provide for an agency's right to do the following: (a) Select or not select from among a group of best qualified candidates; and (b) Select from other appropriate sources, such as reemployment priority lists, reinstatement, transfer, or conversion of a handicapped employee.

837.9 In deciding which recruitment sources to use, an agency shall determine which is most likely to best meet the agency's mission and objectives and meet the agency's affirmative action goals.

837.10 The area of consideration shall be sufficiently broad to ensure the availability of high quality candidates, taking into account the nature and level of positions covered.

837.11 The minimum area of consideration shall be the agency, except that a smaller area may be authorized by a personnel authority in a situation which meets the criteria established by the authority's personnel manual.

837.12 When the minimum area of consideration will produce enough high quality candidates and the agency does not find it necessary to make a broader search, the minimum area of consideration and the area of consideration shall be deemed to be the same.

837.13 Administration of the promotion procedures shall include recordkeeping, the provision of necessary information to employees and the public, and ensuring that each individual's right to privacy is protected.

837.14 Each personnel authority shall maintain a record of each promotion sufficient to allow reconstruction of the promotion action, including documentation of how each candidate was rated and ranked.

837.15 All promotion records shall be retained for a minimum period of two (2) years. In addition, any promotion record relating to a grievance or appeal submitted by an applicant shall be retained until the grievance or appeal is adjudicated.

837.16 For the purposes of this section, the following terms have the meaning ascribed:

Area of consideration - the area in which the agency makes an intensive search for eligible candidates and from which applications will be accepted in a specific recruitment action.

Minimum area of consideration - the agency in which the vacancy occurs, or a portion thereof as provided in § 837.11.

838 Time-in-grade Requirements for Positions Under Career Service Salary Schedules (Union and Non-union)

838.1 This section explains time-in-grade requirements and restrictions for promotions and appointments to higher grade positions; and reinstatements to higher grade positions when such reinstatements are made within one (1) year after separation from nontemporary appointments in the Career Service.

838.2 The purpose of the time-in-grade restrictions is to prevent excessively rapid promotions in competitive appointments, and protect competitive principles. Additionally, time-in-grade restrictions provide budgetary control on promotion rates.

838.3 The time-in-grade restrictions in this section shall not apply to employees occupying Wage Service positions.

838.4 The time-in-grade restrictions in this section shall be applied in conjunction with the restriction in section 833.1 of this chapter on position changes to a different line of work within three (3) months after placement.

838.5 Except as specified in sections 838.6 and 838.7 of this section, a Career Service employee shall not advance in grade by promotion to a position under a Career Service Salary Schedule unless the employee meets the following minimum time-in-grade requirements:

- a. For an employee at grade levels CS-12 or above, only after he or she has served one (1) year at the next lower grade;
- b. For an employee at grade levels CS-6 through CS-11, only after he or she has served:
 1. One (1) year in a position two (2) grades lower, when the position to which he or she is advanced is in a line of work properly classified at two-grade (2-grade) intervals; or
 2. One (1) year at the next lower grade, when the position to which he or she is advanced is in a line of work properly classified at one-grade (1-grade) intervals; and
- c. An employee may be advanced to a position at grade levels CS-5 or below which is not more than two (2) grades above the lowest grade he or she held within the preceding year under a nontemporary appointment

without regard to time in grade.

838.6 Notwithstanding the provisions of section 838.5 of this section, the one (1) year time-in-grade restriction may be waived in the case of an employee who does not meet the time in grade requirement but meets the qualifications requirements for the position and is ranked among the best qualified candidates and within reach for selection, based on the following criteria:

- a. On the basis of the employee's total work history;
- b. When the employee has performed work related to the higher grade position at a level at least commensurate (equivalent) to the higher grade position;
- c. On the basis of the employee's education, superior academic credentials, or superior academic achievements; or
- d. For reasons of hardship, inequity, or in especially meritorious cases.

838.7 While an employee's salary history (i.e., previous higher salary) shall not automatically be considered the determining factor in waiving the time-in-grade restriction under section 838.6 of this section, it may be considered along with the criteria specified in that section.

838.8 An employee promoted under the conditions described in section 838.6 of this section may be advanced more than two (2) grade levels at a time.

838.9 If selected for the higher grade position, an employee who was granted a waiver of the time-in-grade requirements shall be required to complete one (1) year of service at the position before he or she meets the requirements for advancement to the next grade level.

838.10 In applying the time-in-grade requirements of this section and crediting prior service and experience towards meeting time-in-grade, an employee will receive credit for:

- a. Prior District or federal government service under an appointment at the same level as or a higher level than the employee's current appointment;
- b. As appropriate, any specialized experience with the military, state or local governments, or with the private sector; and
- c. As appropriate, college or university education.

838.11 The personnel authority shall develop procedures for the granting of waivers of the time-in-grade requirements, and the circumstances and conditions for crediting prior service towards meeting time-in-grade.

838.12 (a) The waiver of time-in-grade provisions in section 838.6 of this section shall not apply career ladder promotions within the Career Service.

(b) A career ladder exists when employees occupying a group of similar positions are hired at less than full performance level and are all given grade-building experience such that each may be promoted as he or she qualifies and demonstrates the ability to perform at the next higher grade level, and where there is sufficient work at the full performance level for all employees who qualify and who are performing the work at a given time.

839 Temporary Promotion

839.1 A temporary promotion shall be for a period of thirty (30) days or more.

839.2 A Career Service appointee may be temporarily promoted without competition for a period not to exceed one hundred twenty (120) days.

839.3 Competitive procedures shall be used for a temporary promotion over one hundred twenty (120) days. In computing the days, prior service under all details to higher graded positions or temporary promotions shall be counted, whether competitive or noncompetitive, during the preceding twelve (12) months.

839.4 A competitive temporary promotion shall be in accordance with the following:

- a. It shall be for a definite period of one (1) year or less;
- b. It may be extended for an additional period not to exceed one (1) year with the prior approval of the personnel authority based upon a written determination of the agency that unusual needs of the service require it; and
- c. It may be made permanent without further competition, provided that the original competition made known to all potential applicants the fact that it might lead to a permanent promotion.

839.5 A temporary promotion shall not be used for the purpose of training or evaluating an employee in a higher grade position.

839.6 For the purposes of this section, the following term has the meaning ascribed: Temporary promotion - a promotion for a definite period of thirty (30) days or more, not exceeding one (1) year, which may be extended for up to one (1) additional year.

840 Term Promotion

840.1 A personnel authority may competitively promote an employee not serving under a temporary appointment for a limited term in excess of one (1) year, but not to exceed four (4) years, to complete a designated project.

840.2 A term promotion may be extended for an additional period of one (1) year for a total of five (5) years with the prior approval of the personnel authority.

840.3 Upon completion or termination of the assigned project, the agency shall return the employee from the term promotion to the position from which he or she was promoted or to a position of equivalent grade or pay.

840.4 The return of an employee to the position from which he or she was promoted or to a position of equivalent grade or pay shall not be subject to chapters 16 and 24 of these regulations.

840.5 A term appointee who accepts a term promotion in the same project shall have no right to return to the position from which promoted.

840.6 For the purposes of this section, the following term has the meaning ascribed:

Term promotion - a promotion for a limited term in excess of one (1) year, but not to exceed four (4) years for a designated project.

841 Detail

841.1 A Career Service appointee may be detailed to another position to meet a temporary employment need for a period of not more than one hundred twenty (120) days to an established position or two hundred forty (240) days to an unestablished position; and, unless prohibited by this section, the detail may be extended by the personnel authority in increments of one hundred twenty (120) days.

841.2 A detail to an established position (as defined in chapter 11 of these regulations) may be made for up to one (1) year during a major reorganization.

841.3 All details to established higher grade positions extending beyond two hundred forty (240) days shall be made by competition.

841.4 No detail to a higher grade position or to an unestablished position (as defined in chapter 11 of these regulations) shall extend beyond one (1) year, unless the personnel authority determines that highly unusual circumstances warrant an extension beyond one (1) year.

842 Special Consideration of Certain Demoted Employees

842.1 A Career Service employee serving under a Career Appointment (Permanent), who has been demoted as a result of a reduction in force under chapter 24 or a classification action under chapters 11 and 16 of these regulations, shall be entitled to special placement consideration for a period of two (2) years from the date of the personnel action placing the employee in a lowergraded position. This special consideration shall apply to vacancies similar to the position from which demoted occurring in the agency in which demoted at his or her former grade (or any intervening grade).

842.2 Placement consideration of an employee under this section shall precede efforts to fill vacancies through competitive placement procedures as provided in § 844.

842.3 An employee who was separated by reduction in force and later reemployed in the Career Service in his or her former agency shall be entitled to special placement consideration for two (2) years from the date of the separation due to reduction in force in accordance with this section if such later reemployment is either of the following:

- a. At a lower grade than his or her former position; or
- b. Under a temporary or term appointment regardless of grade level.

842.4 Placement consideration of an employee for repromotion under this section shall not be a guaranteed repromotion.

842.5 The provisions of this section shall not apply in instances wherein demotion action is effected by the personnel authority because the affected employee was determined to be not qualified or not eligible for the position from which demoted.

843 Promotions: Violations and Remedial Actions

843.1 In Career Service placement and promotion actions, failure to adhere strictly to laws, regulations, or the personnel authority's personnel manual shall be rectified promptly by the personnel authority or the agency involved.

843.2 The nature and extent of actions to be taken in any case shall be determined on the basis of all the facts in the case, with due regard to the circumstances surrounding the violation, to the equitable and legal rights of the parties concerned, and to the interest of the District government.

843.3 The general rule shall be that an erroneously placed or promoted Career Service employee may be retained in the position only if the promotion action can be corrected to conform essentially to all requirements as of the date the action was taken.

843.4 Upon written determination that equity, hardship, or the needs of the service require it, a personnel authority may waive the requirements of § 843.3 and retain the employee in the position.

843.5 Waiver of requirements and retention of an employee in his or her position shall be dependent on the nature, extent, and seriousness of the violation(s) involved in the particular situation, and shall take into account such factors as the following:

- a. How close the employee was to meeting qualification or regulatory requirements at the time of promotion;
- b. How close the employee was to being in the best qualified group;
- c. How much time has elapsed since placement or promotion; and
- d. Whether identification can be made of employees who were or should have been in the group certified to the selecting official and whether they have been placed or promoted, have left the agency, or are no longer available for placement or promotion.

843.6 If an employee is not retained in the position, he or she shall be returned to his or her former position or placed in another position of equal grade for which he or she is qualified.

843.7 If the position in which the employee is placed is in a higher grade or level than the position he or she was in prior to the erroneous placement or promotion, the position change shall be made under competitive promotion procedures as though the employee were still serving at the grade or level from which erroneously placed or promoted.

843.8 If the action taken to remedy the erroneous placement or promotion was to require that the position be vacated, an employee who was not placed or promoted or given proper consideration because of the violation (that is, an employee in the best qualified group who was not selected or an employee who should have been in this group but was not) shall be considered for placement or promotion to the vacated position before candidates are considered under a new promotion or other placement action as provided in § 844.

843.9 If the remedial action did not include vacating the position, an employee who was not placed or promoted or given proper consideration because of the violation shall be given priority consideration under a new promotion or other placement action as provided in § 844.

843.10 An employee's entitlement to priority consideration under this section shall continue until the employee's name has been referred on a certificate for a comparable position, or the employee declines consideration for a comparable position, or the employee is no longer available for consideration.

843.11 Violations by design shall be proper grounds for disciplinary or adverse action, and the personnel authority shall investigate all allegations of violation by design and take appropriate action, as provided in chapter 16 of these regulations.

844 Priority Placement Categories and Order of Priority

844.1 Priority placement category 1 shall consist of the following:

- a. An employee or ex-employee entitled to statutory veteran's restoration rights under federal law as described in § 827;

844.2 Placement of an individual in priority placement category 1 shall be effected or considered in accordance with applicable statutory rights or orders or judgments pertaining thereto, and shall be effected as

mandated.

844.3 Priority placement category 2 shall consist of the following:

844.4 Placement of an individual in priority placement category 2 shall be subject to the following:

- a. Except for a person in category 1, or an individual described in § 844.5, no person shall be selected ahead of an individual in category 2 unless the selecting official justifies the nonselection in writing and obtains the approval of the personnel authority or his or her designee.
- b. Each individuals shall be referred for positions in the order listed in § 844.3.

844.5 A current employee in the Career Service who is serving under a Career Appointment (Probational) or a Career Appointment (Permanent), provided he or she is qualified, may be selected for a position for which a category 2 candidate described in § 844.3(d), (e), or (f) has been referred; and the selection shall not need to be justified in writing.

845 Grievances

845.1 A Career Service employee may file a grievance with an agency or personnel authority, as appropriate under these regulations, when he or she believes that an employment practice which was applied to him or her violates a requirement of law or these regulations.

845.2 A candidate may file a grievance with the personnel authority regarding an action on his or her application for employment in the Career Service.

845.3 A grievance shall be resolved under appropriate grievance procedures, pursuant to chapter 16 of these regulations or an applicable collective bargaining agreement.

845.4 While the procedures used to identify and rank qualified candidates are proper subjects for formal grievances, nonselection from among a group of properly ranked and certified candidates shall not be an appropriate basis for a formal grievance.

845.5 An action required to be taken under the provisions of law or regulations, or by a court or other competent authority as applied to groups of positions or to a specific action, shall not be a basis for a formal grievance.

846 Evaluations and Investigations

846.1 A personnel authority or other authorized agency may investigate allegations of violations of law and these regulations, and may order appropriate action, including action pursuant to chapter 16 of these regulations against a person found to be responsible for a violation.

846.2 A personnel authority may conduct program monitoring and evaluation of the administration of the Career Service and compliance with law and these regulations.

847 Personnel Reports

849.8 Nothing in this section shall prevent an attorney subject to the filing requirement from individually applying for the certificate of good standing (certificate) from the Committee on Admissions, D.C. Court of Appeals, and filing the certificate directly with the DCHR by December 15 of each year.

849.9 Each subordinate agency head or independent personnel authority that elects to submit a consolidated listing to the Committee on Admissions, D.C. Court of Appeals (Court) pursuant to section 849.5 of this section shall provide every year to the Director of the DCHR:

849.12 Failure of any attorney as described in section 849.1 of this section, either individually, or through his or her employing subordinate agency or independent personnel authority, to file the certificate of good standing with the DCHR by December 15 of each year, or as specified in section 849.18 or 849.19 of this section, shall result in forfeiture of employment.

849.13 Upon written request from an attorney subject to the filing requirement, the Director of the DCHR or independent personnel authority may grant a temporary waiver of the filing requirement to the attorney if compliance with the filing requirement by December 15 is inordinately difficult due to circumstances beyond his or her control or other good cause.

849.15 The Director of the DCHR or independent personnel authority shall grant a temporary waiver of the filing requirement to an attorney who has exercised due diligence in applying to be waived in to the D.C. Bar from another jurisdiction but does not anticipate being waived in by December 15.

A notification granting the request shall inform the attorney of the deadline to file prescribed in section 849.18 of this section. A notification denying the request shall inform the attorney of the following:

- b. That he or she has thirty (30) days from the receipt of the notification denying the request to attempt to file the certificate of good standing (certificate) with the DCHR;
- c. That he or she shall be terminated at the end of the prescribed thirty-day (30-day) period if unable to file the certificate with the DCHR within the prescribed period; and
- d. The effective date of termination in the event that he or she is unable to file the certificate with the DCHR within the prescribed period.

849.18 An attorney granted a temporary waiver of the filing requirement (waiver) shall file a certificate of good standing (certificate) with the Director of the DCHR within thirty (30) days of being admitted to the D.C. Bar. A certificate filed pursuant to this subsection shall not be dated earlier than the date of the written request for the waiver submitted by the employee.

849.19 When a personnel action placing an employee in an attorney position subject to the filing requirement, such as in the case of a promotion to a grade DS-13 or equivalent, becomes effective on or after the December 15 deadline, the attorney shall file a certificate of good standing (certificate) with the DCHR within thirty (30) days of the effective date of such personnel action. A certificate filed pursuant to this subsection shall not be dated earlier than the effective date of the personnel action that placed the employee in the attorney position subject to the filing requirement.

849.20 Upon establishing the effective date of a personnel action as described in section 849.19 of this section and processing the action, the Director of the DCHR or independent personnel authority shall promptly inform the affected employee, in writing, of the deadline to file prescribed in section 849.19 of this section.

- c. The effective date of termination in the event that he or she is unable to file the certificate with the DCHR within the prescribed period.

849.22 Each appointee to an attorney position subject to the filing requirement (requirement) shall be notified by the appropriate personnel authority at the time of hire, in writing, of the requirement and that failure to comply by December 15 of each year or as specified in §§ 849.18 and 849.19, as applicable, shall result in forfeiture of employment.

849.23 Not later than March 1 of each year after the December 15 filing deadline for the preceding year, the Director of the DCHR shall publish in the D.C. Register the list of attorneys who have not met the filing requirement.

870 Processing Entry-Level Candidates for Firefighter/Emergency Medical Technician (EMT) and Firefighter/Paramedic Positions (1/2)

870.2 Appropriate staff within the personnel authority will establish a Register of eligible candidates for the positions of Firefighter/EMT and Firefighter/Paramedic. Each Register will include the numerical rank, name, and social security number of all eligible candidates.

870.3 Candidates on the register shall be eligible for appointment only if they successfully complete all the stages of the selection process.

870.4 As specified in section 819 of this chapter, a Register may also be established by administering an entry-level examination to eligible candidates or, at the discretion of the Fire Chief, by unassembled examination for the purposes of hiring individuals for the position of Firefighter/Paramedic.

870.5 Following the establishment of a Register, each candidate who passes the entry-level examination for Firefighter/EMT and Firefighter/Paramedic or is qualified by unassembled examination will be required to:

- a. Take a physical abilities test (PAT) to assess his or her physical abilities to perform the duties of a Firefighter/Paramedic;
- b. Undergo a background investigation to determine suitability for appointment; and
- c. Be determined to be medically and psychologically qualified to perform in the position for which he or she is being considered.

870.6 Processing of candidates on a Register, and the responsibilities and authorities for each step, are as specified in this section.

In the case of a Register established by written examination, the candidates will be listed on the Register in order of their position on the written examination.

870.8 Appropriate staff within the personnel authority will transmit the Certificate and D.C. 2000 Employment Applications to the Agency Recruiting Officer (ARO) within the FEMSD. The ARO will review the D.C. 2000 Employment Applications and indicate the final status of each candidate in the “Disposition” column of the Certificate, using the following codification system:

- a. The candidate could not be contacted regarding availability for processing by means of the U.S. Postal Service; the mailings were returned to the ARO as undeliverable;
- b. The candidate failed to respond to mailings regarding availability for processing; the mailings were not returned by the U.S. Postal Service to the ARO;
- c. The candidate requested deferral, that is, consideration for processing for appointment at a later date;
- d. The candidate declined further consideration for the position;
- e. The candidate failed to complete the required documentation for the background investigation;
- f. The candidate was determined to be unsuitable for appointment to the position on the basis of the background investigation only;
- g. The candidate failed to report for the medical examination;
- h. The candidate failed to complete the medical examination;
- i. The candidate was determined to be unsuitable for appointment to the position on the basis of the medical examination only;
- j. The candidate was offered the position, but declined appointment to the position;
- k. The candidate was offered the position, but deferred appointment to the position to a later date;
- l. The candidate was appointed to the position;
- m. The candidate did not meet the maximum age, education or experience, or citizenship requirements for appointment to the position;
- n. The candidate was temporarily suspended from further processing because of pending criminal charges, or the possession of a suspended or revoked motor vehicle license, or charges to that effect; and
- o. Other circumstances not described above.

870.9 The ARO will establish a file for all of the candidates to be processed. Each file must contain the D.C. 2000 Employment Application and all other correspondence and documents concerning the processing of the candidate.

870.10 The ARO will review each D.C. 2000 Employment Application to ensure that the candidates meet the age and education or experience requirements. Candidates who would be older than the required maximum age, education, or experience requirement they cannot be considered for a position.

870.11 The names of candidates who are excluded from consideration on the basis of the age, education, or experience review will be coded “M” in the “Disposition” column on the Certificate. These candidates will not be given any further consideration for positions filled from this Register.

870.12 Using information available on the D.C. 2000 Employment Application, the ARO will send all candidates not coded “M” a letter including an information packet. The letter will advise the candidates of the purpose of and the procedures for completing and returning all forms enclosed with the letter. The letter will also instruct candidates to bring with them original or notarized copies of their birth certificate, high school diploma or equivalency certificate, and D.D. 214 Form, if applicable.

870.13 As needed because of unusual circumstances, the personnel authority may authorize telephone contacts of candidates to arrange expedited scheduling of medical examinations or other processing steps.

870.14 Candidates who do not respond to the letter within ten (10) workdays of the date of the letter will be sent a second (2nd) letter and enclosures, by certified mail. Candidates who do not respond to the certified letter within ten (10) workdays of the mailing date will be coded “A” or “B,” as appropriate, in the “Disposition” column on the Certificate (see also sections 870.8(a) and (b) of this section). The names of these individuals will be placed at the bottom of the Register in position order following the name of the last candidate. The personnel authority will determine whether to consider such candidates, as specified in section 870.45 of this section.

870.15 The names of candidates who have indicated that they wish to be considered at a later date shall be coded “C” in the “Disposition” column of the Certificate, and the specific date placed to the right of the code. These candidates may be processed on the date requested in order of their position on the register if the register has not been terminated by the personnel authority prior to this date.

870.16 The names of candidates who have declined consideration for the position will be coded “D” in the “Disposition” column of the Certificate. Their names shall be placed at the bottom of the Register in position order following the name of the last candidate. The personnel authority may approve their consideration at a later date (see also section 870.8 (d) of this section).

870.17 Candidates will be notified by the ARO regarding the scheduling of the PAT required under section 870.5 of this section.

870.18 Candidates who successfully pass the PAT will report to the ARO as the initial step of the background investigation and suitability review process. Each candidate will bring an original or notarized copy of his or her birth certificate and high school diploma or equivalency certificate, as well as D.D. 214, if appropriate.

870.19 During the initial screening process, candidates will be provided the following forms and will be expected to complete them, after which the ARO will collect the forms:

- a. A "Criminal History Request" form (P.D. 70);
- b. A "Record Check Request" form (P.D. 697); and
- c. A "Release of Information Waiver Authorization" form (P.D. 171);

870.20 The ARO will conduct the background investigation of those candidates who pass the PAT. The background investigation will be conducted prior to initial referral to a Suitability Board (Board) established by the Fire Chief in accordance with the requirements of this section, for a provisional determination of suitability. The background investigation will include all of the following elements:

- a. A local investigation including the following checks:
 - 1. Criminal background check;
 - 2. Traffic record check;
 - 3. Warrant detail check;
 - 4. Morals Division check; and
 - 5. Central Names File check;
- b. A report on the candidate from the Washington Area Law Enforcement System (WALES);
- c. Department of Motor Vehicles reports from Maryland, Virginia, and the District of Columbia, as appropriate;

870 Processing Entry-Level Candidates for Firefighter/Emergency Medical Technician (EMT) and Firefighter/Paramedic Positions (2/2)

870.21 The background investigation pursuant to section 870.20 of this section may be submitted to the Board for a provisional determination, prior to the receipt of the elements listed below in this subsection. The ARO is responsible for ensuring that this information is obtained within a reasonable amount of time following a provisional determination of suitability, and informing the Board or other appropriate agency management

official in the event that any information is obtained that may reasonably affect the decision of the Board. The required elements are:

- a. A report on the candidate from the Federal Bureau of Investigations (FBI) criminal history check;
- b. At least three (3) personal reference checks; and
- c. Checks with at least three (3) associates or friends of the candidate.

870.22 The files of candidates whose investigations under § 870.20 of this section have been completed will be transmitted to and reviewed by the Board.

870.23 The Board will be composed of three (3) uniformed members of the FEMSD at a rank no lower than that of Captain.

870.24 The presence of all three (3) members of the board shall constitute a quorum, and no action will be taken by the Board without a quorum present.

870.25 Decisions of the Board will be effected by majority vote. In making its determination as to the suitability of a candidate for further consideration, the Board may use as reference material the guidelines found within the District Personnel Manual (DPM) (or any other procedural manual developed) and any other procedures issued by the Director, D.C. Department of Human Resources (DCHR).

870.26 The Board's findings and the reasons thereof on the suitability of a candidate shall be recorded by the Board on a form expressly designed for this purpose.

870.27 The Fire Chief will establish procedures to ensure that candidates are acted upon by the Board in the same order as listed on the Certificate, except for candidates who are delayed in processing through no fault of the District government. 870.28 In the case of an unassembled examination, candidates will be selected based on rank qualification, and in accordance with the residency preference provisions of Chapter 3 of these regulations. 870.29 The Board has the authority to consider a variety of factors in determining a candidate's suitability for appointment, but may not consider juvenile records. The possession of one or more of the following background characteristics may make a candidate ineligible for further processing and subsequent appointment:

- a. A conviction for any felony;
- b. A conviction for any serious misdemeanor, including but not limited to petit larceny or sex offenses;
- c. Any record of having served a jail sentence; or
- d. An admission of drug abuse or reasonable grounds to believe that there has been drug abuse. Excessive use of marijuana would normally be disqualifying; however, each case will be considered individually, during which time all the relevant facts and circumstances will be evaluated before a final decision is made. As a general guide, excessive use may be defined as the use of marijuana on more than fifteen (15) occasions.

870.30 The following background variables will be closely reviewed by the Board and may be used to render a candidate ineligible for appointment:

- a. All military discharges and the reasons for such discharges, will be reviewed, to include but not be limited to performance, conduct, and medical records;
- b. The circumstances surrounding a conviction or convictions for disorderly conduct shall be reviewed and evaluated on a case-by-case basis;
- c. Other acts which would constitute a crime shall be individually evaluated;
- d. Traffic records will be judged on an individual basis. A pattern of disregard for existing traffic regulations, particularly where the applicant has been convicted of driving under the influence of intoxicants or drugs, may result in the exclusion of the candidate from further processing.

870.31 Any material false statements, misrepresentations or omissions made during any phase of the application process will be the basis for disqualification of a candidate.

870.32 An applicant's file will be placed in a condition of temporary suspension from further processing for either of the following reasons:

- a. The applicant has criminal charges pending; or
- b. The applicant's motor vehicle license has been suspended or revoked or such action is pending.

870.33 The Board will return the candidates' files to the ARO with its recommendation as to whether the candidate should be determined suitable or unsuitable for further processing.

870.34 Based upon the Board's recommendation, the ARO will render a decision as to the suitability of each candidate for further processing. If the ARO does not concur with the decision of the Board, he or she will notify the Board and ask for reconsideration.

870.35 The names of candidates who have a suspended or revoked drivers license, or charges pending to that effect will be coded "N" on the Certificate by the ARO. (See section 870.8 (n) of this section). Depending upon the nature and seriousness of the charge, candidates who have criminal charges pending may be coded "N" on the Certificate by the ARO. The ARO will inform the candidates in writing of their temporary suspension from further processing, and will advise such candidates to notify the ARO when these impediments have been removed, as well as provide the ARO with appropriate evidence of such removal. Candidates will also be advised that they may be processed at the time of such notification if the Register has not been terminated prior to that date. These candidates would then be processed in order of their original position number on the Register.

870.36 The ARO will inform each candidate who has been deemed unsuitable, in writing, giving the candidate the reasons for the determination. In addition, each candidate will be informed that he or she may submit, within fifteen (15) workdays of the date of the letter informing the candidate of his or her unsuitability, a written request to the ARO to re-evaluate the facts that led to the determination.

870.37 When requests for review are received, the ARO will remand the background material to the Board for reconsideration. The ARO will inform the candidates in writing as to the final determination of suitability, including the basis for the determination, and that they may appeal the decision in writing to the Fire Chief (or his or her designee). The decision of the Fire Chief is final.

870.38 The names of candidates who failed to provide the required documentation for the background investigation will be coded "E" in the "Disposition" column of the Certificate. The names of those who have been determined to be unsuitable on the basis of the background investigation will be coded "F." These candidates will not be further considered for positions to be filled from the Register being used at the time. (See section 870.8 (e) and (f) of this section).

870.39 Upon completion, termination, or suspension from further processing, the ARO will transmit each candidate's file to appropriate staff person.

870.40 Upon request, and for good reason, the ARO may allow a candidate who fails to report to or complete the medical examination one (1) additional opportunity to take or complete the medical examination.

870.41 The Police and Fire Clinic (PFC) will make the medical determination for each candidate and will inform the ARO of its determination in writing.

870.42 The ARO will inform the candidates who were medically disqualified by the PFC of the reasons for the disqualification, both orally and in writing. These candidates will also be advised that they may submit a written request asking that the ARO refer the case to the PFC for reconsideration. The request must be submitted within fifteen (15) days of receipt of the letter that informed them of their medical disqualification.

870.43 A code of "G" will be placed in the disposition column of the Certificate by the names of any candidate who failed to report for the medical examination after being given a second (2nd) opportunity; a code of "H" will be placed in the disposition column of the Certificate by the name of any candidate who failed to complete

the medical examination after being given a second (2nd) opportunity; and a code of “I” will be placed in the disposition column of the Certificate by the name of any candidate deemed unsuitable on the basis of the medical examination. Candidates who have been coded “G,” “H,” or “I” will not be given further consideration for positions filled from the Register being used.

870.44 The Fire Chief may require candidates to complete an updated medical examination or background investigation if more than one hundred and twenty (120) days have elapsed between the date either the medical examination or background investigation were completed and the date of appointment.

870.45 Appropriate staff within the personnel authority will contact selectees in writing to tender offers of appointment. Every effort will be made to ensure that appointments are tendered in the order of original position on the Register, with the exception of variances caused by the occurrence of disposition categories “A,” “B,” “C,” “D,” “J,” “K,” and “N” (candidates placed within disposition categories “E,” “F,” “G,” “H,” “I,” and “M” would not be tendered an offer of appointment), and subject to processing delays not within the control of the FEMSD. The selectees will be informed of all of the following:

- a. That the selection is tentative pending completion of the background investigation, if applicable;
- b. The components of the background investigation that have not been completed, if applicable;
- c. That a report resulting in a determination of unsuitability will result in termination of employment;
- d. Where and when to report for appointment; and
- e. The procedures for declining or deferring the appointment.

870.46 Delays in processing caused by a candidate’s action or inaction may result in the candidate being offered an appointment after other candidates who were initially placed in a lower position on the Certificate. Appropriate staff within the personnel authority will be responsible for documenting the reasons for all such offers of appointment, and for providing the Director of the DCHR, with such documentation upon request.

870.47 Appropriate staff within the personnel authority will prepare all candidate appointment forms for those candidates who have accepted offers of appointment and will secure the necessary signatures as specified on the forms. A code of “L” will be placed in the disposition column of the Certificate by the names of candidates who have been appointed.

870.48 A code of “J” will be placed in the disposition column of the Certificate by the names of candidates who have declined appointment. Their names will be placed at the bottom of the Register in position order following the name of the last candidate. The personnel authority may approve their consideration at a later date.

870.49 A code of “K” will be placed in the disposition column of the Certificate by the names of candidates who have requested deferral of their appointment, with the date indicated in the space to the right. These candidates may be appointed on the date requested in the order of their position on the Register if the Register has not been terminated by the personnel authority prior to this date.

870.50 Candidates whose requested deferral dates exceed thirty (30) days from the date of the original date of appointment may be subjected to an updated background investigation.

870.51 Appropriate staff within the personnel authority will provide the ARO with the names of the candidates who have accepted appointment, declined appointment, or deferred appointment, so that the ARO may make the appropriate notations on the Certificate.

870.52 The ARO will return the Certificate to the human resources (HR) staff within the FEMSD before requesting another Certificate.

870.53 When each name has been certified and the last Certificate returned to the HR staff within the personnel authority, the following actions may be taken:

- a. Terminate the Register; or

- b. If there is a need for any entry-level Firefighter/EMT or Firefighter/Basic Paramedic to be hired, prior to the time that a new Register will be available, instruct the appropriate staff to arrange for consideration of those candidates who are still eligible and have been placed at the bottom of the Register in accordance with this section, by the same procedure as was used with the candidates previously considered.

870.54 Candidates whose requested deferral dates exceed 30 days from the date of the original date of appointment may be subject to an updated background investigation.

870.55 The Cluster shall notify the LPD of the identity of those candidates who have accepted appointment, declined appointment, or deferred appointment, so that appropriate notations may be made on the Certificate by the LPD.

870.56 The LPD shall return the Certificate of Eligibles through the Assistant Director to the DCOP Examination and Recruitment Division before requesting an additional Certificate.

870.57 When each name has been certified and the last Certificate returned to the personnel authority, the appropriate staff shall do either of the following:

- a. Terminate the register; or
- b. If there is a need for entry-level firefighters to be hired, prior to the time that a new register will be available, arrange for consideration of those candidates who are still eligible and have been placed at the bottom of the register in accordance with these regulations, by the same procedure as was used with the previously considered candidates, as set forth in this section.

- c. A job-related oral examination by the Board.

876.18 Candidates who fail to appear before the Board as scheduled, upon their request, may be permitted by the LPD one (1) additional opportunity to appear before the Board.

876.19 The names of candidates who have either (a) failed to appear before the Board and who have not requested rescheduling, or (b) failed to appear before the Board after rescheduling shall be coded "B" in the "Disposition" column of the register. These candidates shall not be permitted further consideration for positions filled from this register.

876.20 All Board proceedings shall be electronically or stenographically recorded and shall remain in the possession of the LPD.

876.21 The proceedings shall be made available for inspection upon the written request to the LPD of any candidate evaluated by the Board for the duration of the register and for two (2) years thereafter. Each candidate shall be provided access only to that information which is relevant to his or her evaluation.

876.22 The Board shall evaluate the fitness of candidates using standardized procedures and forms approved by the Chief and the Director, DCOP, in order to arrive at a just and fair recommendation concerning promotion.

876.23 A candidate shall be recommended for promotion by the Board to the Chief if a majority of the members of the Board so recommend.

876.24 When the Board unanimously determines that there is sufficient evidence of unfitness for promotion, the Board shall recommend to the Chief that the name of the candidate be removed from the register.

876.25 If a candidate is not recommended for promotion by a majority of the members of the Board and the Board does not unanimously determine that the candidate is unfit for promotion, the Board shall recommend to the Chief that the candidate not be promoted at that time. The name of the candidate then shall be placed in its original rank-ordered position on the register for consideration for promotion by the next Board to be convened.

876.26 In each case where the Board recommends that a candidate not be promoted at that time or that a candidate is unfit for promotion and should have his or her name removed from the register, the candidate shall be given a written summary of the findings upon which the Board's decision was based by the LPD within five (5) days, exclusive of Saturdays, Sundays, and legal holidays, of the Board's decision. Upon request, the candidate shall also be given access to the proceedings as specified in § 876.21.

876.27 The candidate shall also be advised by the LPD that he or she may submit a written appeal to the Chief, within five (5) days, exclusive of Saturdays, Sundays, and legal holidays, from the date of receipt of the written summary, informing him or her of the basis for the recommendation to refrain from promotion.

876.28 The Chief shall take action on the appeal, in writing, within fifteen (15) days. An allotment of positions equal to the number of appeals submitted to the Chief shall be set aside by the Board and shall not be filled until such appeals have been acted upon by the Chief.

876.29 The Chief's determination, under § 876.28, shall be considered the final agency decision on an employee grievance, which the candidate may then appeal.

876.30 If the Chief upholds the appealed recommendation(s) of the Board, the Chief shall submit to the Board for its consideration, an equal number of additional names to replace those determined to be unfit for promotion and those not recommended for promotion at that time. Such additional names shall be referred in rank order

from among those candidates who remain on the register. These additional candidates will be considered by the Board as described in §§ 876.15 through 876.29.

876.31 Upon consideration of a sufficient number of candidates, nine (9) plus the number of promotions to be made at the time, the Board shall list these candidates according to their rank-ordered standing on the register and shall submit this list to the Chief.

876.32 The Chief shall select a candidate for promotion from the list of candidates recommended for promotion by the Board.

876.33 Those candidates recommended by the Board for promotion but who are not selected by the Chief shall retain their rank-ordered standing on the register. Their names shall be submitted to the next Board to be convened and shall then be referred by the Board to the Chief for reconsideration without re-examination. Referral of these candidates to subsequent Boards in order of their standing on the register shall proceed until the register has expired or until these candidates have been selected for promotion by the Chief.

876.34 Those candidates who were not recommended by the Board for promotion and whose names are to remain on the register shall retain their rank-ordered standing on the register. They shall be referred to the next Board to be convened and shall be re-examined by this Board as described in §§ 876.15 through 876.29.

876.35 If this Board then recommends these candidates for promotion, their names shall be submitted to the Chief as described in § 876.31.

876.36 If this Board does not recommend these candidates for promotion at that time, they shall retain their rank-ordered standing on the register and shall be referred to subsequent Boards for reconsideration in accordance with the requirements of § 876.34.

876.37 If this Board recommends that the name of the candidate be removed from the register, the candidate shall be treated in accordance with the requirements of §§ 876.24 through 876.29.

876.38 After all appeals within the agency have been exhausted, the names of those candidates who are to be removed from the register shall be coded “C” in the “Disposition” column of the register. These candidates shall not be permitted consideration for positions filled from this register.

876.39 Following selection for promotion by the Chief, each candidate shall be required to successfully complete a medical examination prior to appointment as a Sergeant, Lieutenant, or Captain.

876.40 The LPD shall schedule the medical examination and notify each candidate of the date and time at which to report to the Police and Fire Clinic for the pre-promotional medical examination.

876.41 The names of candidates who have declined to undergo the medical examination shall be coded “D” in the “Disposition” column of the register. These candidates shall not be permitted further consideration for positions filled from this register.

876.42 Each candidate shall report to the Police and Fire Clinic for the medical examination. The staff of the Clinic shall arrange for all necessary tests, including x-rays and other required laboratory procedures.

876.43 Candidates who fail to report for or to complete the medical examination, upon their request and for adequate reason, may be permitted by the LPD one (1) additional opportunity to take/complete the medical examination.

876.44 The Board of Police and Fire Surgeons shall make the medical determinations for each candidate and shall indicate its findings on the Medical Survey Form (PD305 or FD35), which shall be returned directly to the LPD along with the results of all other medical tests.

876.45 The LPD shall review the Medical Survey Form of each candidate and shall ensure that all reasons for medical disqualification are clearly indicated and recorded on that form.

876.46 Those candidates who were medically disqualified by the Board of Police and Fire Surgeons shall be given the reason for their medical disqualification in writing by the LPD within five (5) days, exclusive of Saturdays, Sundays, and legal holidays, of such decision.

876.47 Candidates shall also be advised by the LPD that they may submit, within fifteen (15) days from the date of the letter informing them of their medical disqualification, a written request to the LPD to refer the case to the Board of Police and Fire Surgeons for reconsideration. The results of this reconsideration shall be the final determination of that Board.

876.48 The LPD shall inform candidates in writing within five (5) days, exclusive of Saturdays, Sundays, and legal holidays, of the results of the final medical determination under § 876.47 and of their right of appeal to the Chief. The candidate may then appeal to the Chief in accordance with the requirements of §§ 876.27 through 876.29.

876.49 The Chief's determination regarding an appeal submitted under § 876.48 shall be considered as the final agency decision on an employee grievance.

876.50 The candidate may appeal the Chief's decision either to the Office of Employee Appeals, or in the manner specified in an Agreement with a labor organization, as appropriate under such agreement, and shall be informed of such rights in the issuance of the Chief's final decision.

876 Processing Candidates for Fire Sergeant, Lieutenant, and Captain Positions (2/2)

876.51 The names of candidates who failed to report for the medical examination shall be coded "E" in the "Disposition" column of the register. The names of candidates who failed to complete the medical examination shall be coded "F." The names of candidates deemed to be unsuitable on the basis of the medical examination shall be coded "G." These candidates shall retain their rankordered standing on the register, and as further promotions are to be made, their names shall be submitted for consideration by the next Board to be convened.

876.52 Candidates whose effective date of promotion exceeds a reasonable period of time as determined by the LPD (approximately 120 days) from the date of the medical examination may be subject to re-examination by the Board of Police and Fire Surgeons.

876.53 At any time during the selection process, the Director of Personnel may request the Chief to review the findings of the Promotion Board in regard to the qualifications of a candidate. Such review and any resultant appeal by the candidate shall be conducted in accordance with §§ 876.26 through 876.29 and §§ 876.46 through 876.50.

876.54 The Chief shall contact each selectee in writing to tender an offer of promotion, inform the selectee as to where and when to report for promotion, and indicate the procedures for declining the appointment.

876.55 The names of candidates who have been appointed shall be coded "H" in the "Disposition" column of the register.

876.56 The names of candidates who have declined appointment shall be coded "I" in the "Disposition" column of the register. These candidates shall not be permitted further consideration for positions filled from this register.

876.57 The LPD shall document the disposition of each candidate on the register prior to the return of the register through the Assistant Director to the Recruitment and Examining Division. The LPD shall also provide

such documentation, through the Assistant Director, to the Recruitment and Examining Division.

876.58 The Assistant Director shall prepare all candidate appointment forms for those candidates who have accepted offers of appointment and shall secure the necessary signatures, as specified on the forms.

876.59 Successive registers shall be established at 12:01 a.m. on October 16 of the even-numbered years. However, the period of eligibility under any special examination shall expire when the next regularly qualifying list becomes effective.

876.60 The LPD shall return the register of eligibles through the Assistant Director to the DCOP Recruitment and Examining Division before a subsequent register is transmitted to the LPD.

876.61 Promotional files are to be retained by the Department for a minimum of three (3) years before being retired to the appropriate records center.

876.62 To the extent that any provision of these regulations, other than § 876.2, conflicts with any provision of a contract with a labor organization, the provision of the contract shall prevail.
